Description of Activity:

Our office has received a Special Recreation Permit Application from the Gamblers Motorcycle Club, a club within the Motorcycle Racing Association of Nevada (MRAN). The Gamblers propose to conduct their club's annual motorcycle race, the "Bitter Springs 2 Loop Hare Scrambles" in the Bitter Springs / White Basin area.

The Gamblers anticipate 150-175 entrants to participate in Sunday's main big bike race. The proposed course would utilize a central pit area located along the upper Echo wash area to provide adequate parking. Two loops are proposed. Each loop would be raced twice by all motorcycle classes, for a total of 60 miles to finish.

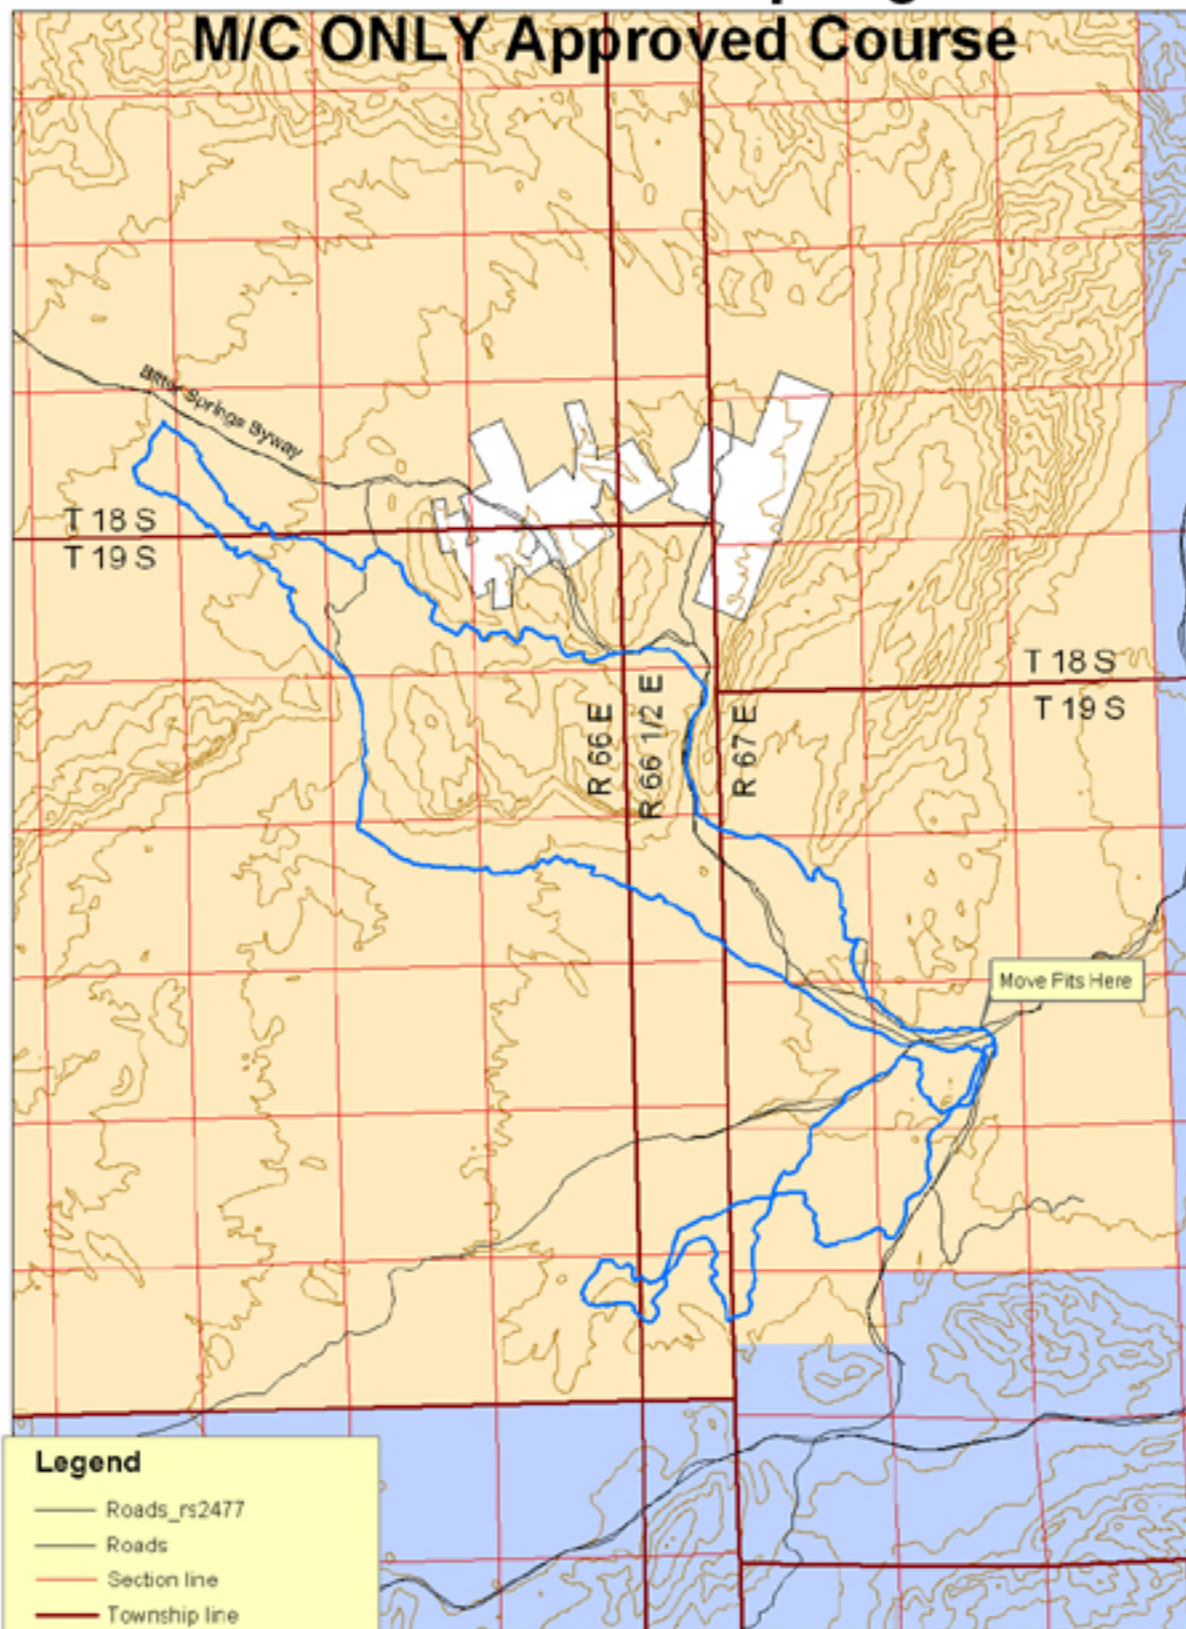

On Saturday, March 20, approximately 50 youngsters would complete their mini course, all part of the existing big bike course. Each mini class would run their course for one hour.

Approximately 100 to 150 race-related pit crews, spectators, families and friends are expected, and all would be limited to the central pit/finish area only.
